

Certificate of Compliance for EU REACH

Product / Component/ Material : SSF212 Switches

We hereby declare that the above product, which are delivered to customers, Shall conform to the specifications of Substance of Very High Concern (SVHC) in view of regulation 1907/2006/EC (REACH) and also fulfill the Annex XIV & Annex XVII requirements, Unless customers have special requests.

The chemical analysis of 224 (SVHC) is performed by means of currently available analytical techniques against the list published by European Chemicals Agency (ECHA) on June 10th 2022, Refer to <http://echa.europa.eu/web/guest/candidate-list-table>

This list is under evaluation by (ECHA) and may subject to change in the future.

According to the specified scope and analytical techniques, the concentrations of tested SVHC of SSF212 switches are less than 0.1% weight by weight (w/w). Compliance is evidenced by written declaration from our suppliers.

The undersigned is an authorised representative of the company.
Declaration to be signed by supplier only.
